

ENTIRE RESTAURANT BUY-OUT

For private events that may require more than one of our spaces, and up to 150 guests, the entire restaurant is an option. When you buy-out the restaurant, you will be able to utilize all of the dining areas, indoor and out (weather permitting) as well as both bars. The format of the event can be customized to your event.

Minimums are required instead of a room rental fee. Any item purchased will count toward the minimum, excluding tax and gratuity. If the total bill does not reach the minimum, the difference will be added to the bill and due with the remaining balance at the end of the event. Room rentals are for 3 hours; additional time may be purchased at an hourly rate of \$650 per hour.
